

To Students and Parents:

Welcome to the 2017-2018 school year! We, the administration, hope parents and students are ready for another exciting, productive, and rewarding educational experience at East High School. It is our belief that education is the top priority for all our students. We would like the school day to remain uninterrupted so every student will have the best opportunity for educational success every day. To allow for the best chance for success, we request that students are not signed out during the school day. Please schedule appointments after school hours. This handbook has been prepared to provide important information that will enable us to have a successful school year. In it you will find pertinent information concerning your rights and responsibilities at East. We strongly urge both students and parents to carefully read this handbook and keep it for reference throughout the school year, since you are responsible for understanding, and abiding by, its content. Thank you for your part in continuing the tradition of educational excellence at East!

Rick Bowman, Superintendent

Jim Mahlmeister, Principal

EAST HIGH SCHOOL

Any business, club, organization, group or school must establish guidelines and rules for its members in order to be successful. Rules establish consistency and help protect the rights and privileges of all members. All students at our school are expected to comply with the rules and, by doing so, will benefit by experiencing an enriching educational environment.

VISION

The East High School community will empower our students to successfully meet the challenges of their futures.

MISSION

Together, we will learn as much as we can each day to be responsible, respectful and successful in our personal, social and academic lives

PHILOSOPHY (Our Beliefs)

We believe students are the number one priority and that it is our obligation to meet their ever-changing needs. We believe character, including compassion, kindness, forgiveness and honesty, must guide us in meeting the challenge of our globalized society. We believe decisions must be fair, based on relevant and accurate information, and ultimately be in the best interest of our students. We believe everyone in our school community must be committed to a shared partnership of responsibility towards meeting the needs of our students. We believe we, as parents, community members and educators, must model what we are teaching. We believe a variety of teaching tools and methods are necessary in order to meet the learning needs of our students. We believe a positive atmosphere is essential and failure is not an option. We believe parental and community participation is critical to the educational and emotional

development of our students. We believe extracurricular activities promote self-discipline and responsibility in our students. We believe staff development is essential to the creation and implementation of a high quality, research/standards-based educational program.

WHO MAKES THE RULES

East High School's general behavior policy is determined by those duly constituted by law to make these rules: the Governing Board, the school administration and faculty. Input from the student council has also been taken into consideration.

ELECTRONIC SURVEILLANCE

Electronic Surveillance (ES) equipment has been placed in public areas inside and outside our building. This ES equipment is not covered, nor is it hidden behind partitions or walls. All ES equipment has been placed in high-traffic areas to protect personal safety and/or school assets. No ES equipment has been placed in areas where the public has a reasonable expectation of privacy (locker rooms, restrooms, showers, etc.). All ES equipment operates 365 days a year and 24 hours a day. This equipment is accessed only by authorized personnel. Signs have been placed at all entrances to warn the public that ES equipment is in use in this facility.

THE PLEDGE OF ALLEGIANCE

I pledge allegiance to the flag of the United States of America and to the republic, for which it stands, one nation under God, indivisible, with liberty and justice for all.

THE STAR-SPANGLED BANNER

Oh say, can you see, by the dawn's early light, What so proudly we hailed at the twilight's last gleaming? Whose broad stripes and bright stars, through the perilous fight, O'er the ramparts we watched were so gallantly streaming? And the rockets' red glare, the bombs bursting in air, Gave proof through the night that our flag was still there. Oh say, does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

ENROLLMENT PROCEDURE

1. Parent/Guardian must complete an enrollment form each year.
2. The following must be completed before a student will be accepted for enrollment:
 - a. Parent/Guardian must provide proof of custody.

- b. Parent/Guardian must provide proof of residence.
- c. A grandparent must have an affidavit filed in the court for educational rights to the child.
- d. Must have the signed paper that they have read and understand the Sciotoville Community School Parent/Student Handbook.

ATTENDANCE RATIONALE

Every child of compulsory school age (age six to eighteen) who is not employed on an age and schooling certificate (full-time work permit) and has not been determined to be incapable of profiting by further education must attend school. The Sciotoville Community School (d.b.a. East High School) is a community school established under Chapter 3314 of the Revised Code. The school is a public school and students enrolled in and attending the school are required to take state mandated tests as prescribed by law. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined by the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter, contact the school administration or the Ohio Department of Education. Regular attendance is a most important factor in the establishment of a good scholastic record. Work missed through absence from school is difficult to make up. There is no substitute for the actual participation in the daily classroom discussion and work. We ask that parents refrain from signing their children out of school or allowing them to miss school unless it is an extenuating circumstance. Parents/Guardians will be required to sign their child out of school in person before the child will be permitted to leave. If the parent/guardian is unable to sign the child out in person, they may send a note asking for the child to be released to another adult. Please assist us in keeping the school day sacred. Every student is expected to be in school every day.

ATTENDANCE POLICY AND PROCEDURES

To receive credit for any course, students must adhere to the school's course credit policy. Student attendance in regards to class credit is recorded by class period and each student will only be allowed a maximum of 7 unexcused absences per semester to remain eligible for class credit. For full-year or semester classes, any student who accumulates 8 or more unexcused absences in a semester will receive "no credit" for that grading period. To pass a full-year course, the student cannot receive a failing grade or fail to receive credit in two of three (semesters plus final exam). To pass a semester-only course, the student cannot receive a failing grade or have 8 or more unexcused absences. The student must also attempt the final exam to be eligible for credit. All unexcused absences, including suspensions days, DO count toward the number of days missed. Days of absence due to excused school business (field trips, assemblies, college visits, mentorship, etc.) DO NOT count toward the days of absence. If a student misses thirty (30) minutes or more of a class, it is considered an absence from that class. The total number of allowable absences will be prorated for new students based on the date of enrollment. Students have the right to appeal the loss of credit to the principal within ten (10) days of receiving a loss of credit notification. In a case of loss of credit for a class, the classroom teachers' records will be the official records. Parents/guardians may attend the

appeal hearing and present documentation, such as additional medical records or court papers other than those already on file. The school reserves the right to adjust the course attendance policy in case of special circumstances, such as hospitalization or other documented just-cause situations.

Each student is expected to be in class, except when excused for a valid reason. The school will no longer automatically accept parent notes or calls as acceptable excuses for being absent, tardy or being released early from school. The administration reserves the right to consider any note that is submitted by a parent or guardian and determine if the reason is valid and the absence will be counted as excused. The school will always honor doctor's notes and court notes in order for an absence to be excused. Other extreme circumstances must be approved by administration to be counted as an excused absence. All other absences will be considered unexcused. For any written excuse to be valid it must be received by the school within fifteen (15) days upon returning to school. For any absence to be considered valid, the parents/guardians must submit the reason to the school administration in writing within (15) school days upon the student's return to school. The following are valid excused absences from school:

1. Personal illness
2. Illness in the immediate family
3. Death in the immediate family
4. Quarantine of home
5. Court appearance
6. Observance of religious holidays
7. Approved travel requests (as defined in East High School Handbook)
8. Emergency or circumstances that constitute good and sufficient cause as determined by the school administration. (Immediate family is defined as a parent, grandparent, brother, sister, aunt, uncle, nephew or niece.)

A student who misses assigned work because of any absence is required to make arrangements to complete the makeup work within five (5) school days upon returning to school. Providing make up work to the student is the responsibility of the teacher. If no excuse is provided, the absence is considered unexcused until an allowable excuse is provided to the attendance officer. The student still has only five (5) days to make up the work from the day of return, not the day the excuse is brought in. Examples of unexcused absences include, but aren't limited to the following:

1. Missing the bus
2. Oversleeping
3. Out-of-town (without obtaining prior permission for approved travel)
4. Needed at home
5. No means of transportation.

East High School will use the court system for 30, 42 and 72 hours of unexcused absences. This means that the Scioto County ESC Truancy Officer will be notified by the school when a student misses their 30th, then 42nd, then 72nd unexcused hour of school.

Prorated Attendances According to Student Entry Dates.

For those students who enroll after August 30, 2016 they will not be permitted to exceed (7) unexcused days in a semester. Their total number of absences must not exceed the number of days allotted based on their date of enrolling at Sciotoville Community Schools.

INTERVENTIONS FOR IMPROVING POOR ATTENDANCE AND PRESERVING CLASS CREDITS

Each student's individual classroom attendance will be evaluated two times during a semester by administration as well as weekly by the student's I/E teacher. If a student misses 8 or more periods unexcused in a class per semester, consequences will be assigned. For each class period missed greater than seven unexcused, students will be assigned a Night School to make up class time missed. One Night School will allow a student to make up two class periods. At the discretion of the Principal, students may be assigned after-school detention to make up missed class time. Each detention served with the Principal's permission will allow a student to make up one class period. Students will be expected to obtain a Night School form from the office and must get their work from that teacher in order for missed time to be made up. All work done in Night School must be turned into the Night School monitor and forwarded to the classroom teacher for credit to be received by the student. Records will be kept of time made up by the principal, and at the end of the year, will be subtracted from the student's total classes missed at the end of the semester/year. Night School assigned for disciplinary reasons will not count toward make up time. Students assigned to a Night School in a nine weeks period will not be allowed to attend school functions during a regular school day during that nine weeks grading period. Any transportation to and from these sessions is the responsibility of the parent/guardian. Continued absences from school could result in referral to the Truant Officer and/or Scioto County Juvenile Court.

Any student in grade 6-12 with no absences, no tardies and no early releases will be excused a ½ day to be designated by administration at the end of each nine weeks.

Parent/Guardian will be notified for failure to attend after school detention or assigned Night School. Failure to attend can result in the following:

Detention will be reassigned if student presents a legitimate reason for a student absence. If there is no legitimate reason, In School Suspension or Night School can be given.

Loss of participation in extracurricular activities or the loss of the right to attend extracurricular activities. This could include, but is not limited to sports, clubs, musical groups, etc. and In School Suspension can be assigned.

Any other disciplinary action as determined by the building principal.

Students will be expected to track their own absences, tardies and early releases with the assistance of their Intervention/Enrichment Teacher. Students are expected to meet with their I/E teacher at least once per week to review any class periods that have been missed for any reason. With these weekly reviews, students should be aware of their status in regards to credit and are able to request to have time made up in Night School as needed.

TRUANCY

Truancy is defined as absence from school without permission of guardian or school personnel. This also includes leaving school without permission at any time during the school day. Truancy will be handled as a disciplinary problem. A student who is truant from school will be assigned to Night School or the Alternative Learning Center. Truancy will be referred to the Truancy Officer in Scioto County.

The State of Ohio provided the following definitions regarding truancy: "Habitual truant" means any child of compulsory school age who is absent without legitimate excuse for absence from the public school the child is supposed to attend for 30 or more consecutive school hours, 42 or more school hours in one school month, or 72 or more school hours in a school year. Any student who attains the "Habitual Truant" status will no longer be permitted to participate in/or attend any extra-curricular activities for the remainder of the school year.

The school has entered into a partnership with the Scioto County Juvenile Court to help prevent truancy and to educate students and parents about school truancy. The school will host the Juvenile Court representatives to speak with students and parents and conduct meetings/hearings. These meetings will be assigned to students and guardians of students who are habitually absent from school, tardy or are leaving school before normal dismissal time. The school will maintain an Attendance Intervention Team that will consist of the Attendance Officer, Principal and a member assigned by the Scioto County Juvenile Court. This team will maintain attendance records, notify students/parents/Scioto County Court of attendance concerns, provide interventions in hopes of improving attendance and hold attendance meetings/hearings. East High School will report student absences through the ESC/Court for 30-42-72 hours of unexcused absences and will also make further attempts to resolve truancy issues directly with students and their guardians..

TARDY AND EARLY RELEASE POLICY

All students arriving after 8:00 a.m. bell will be considered "tardy" and will report to the attendance officer. All students that, after arriving at school, leave school for any unexcused reason shall be considered "early released". For truancy purposes, being tardy and early released will count as the same truancy offense. The following system will be put into place to deter students from arriving for school late and leaving before the final dismissal bell. The number of occurrences will NOT be reset at the beginning of each new grading period.

Number of Truancy Occurrences	Deterrent
1-8	No formal action
9	Warning letter given to student
10-14	After school detention
15	Parent meeting/detention
16-18	Night School
19+	ALC/Referral to Juvenile Court

WITHDRAWAL OF STUDENTS

In accordance with the Ohio Revised Code Section 3314.03 (A) (6), students will be automatically withdrawn from school if a student fails to participate in one hundred and five (105) consecutive hours of learning opportunities without a legitimate excuse. Such policy shall provide for withdrawing the student by the end of the fifteenth (15th) day after the student has failed to participate.

REWARDS FOR GOOD ATTENDANCE

Perfect attendance is granted to students who have no absences from school with no sign-outs or tardies. Excellent attendance is granted to students who have missed no more than four (4) excused days, no more than three (3) sign-outs, and no more than three (3) tardies. Any unexcused absences, sign-outs or tardies will exclude a student from these awards. Any student with perfect attendance may choose to exempt from taking all final exams. If a student has only 1-3 attendance incidents (excused absences, sign-outs, tardies), he/she can choose to exempt from two final exams. If a student has 4-6 attendance incidents, he/she may choose to exempt from one final exam. An incident of absence is a single absence, consecutive days of absence for the same reason or the accumulation of two (2) tardies to school. Students cannot exempt from a final exam for a class in which they received a failing nine weeks grade during the first three nine weeks. Students who have been suspended from school will not be permitted to exempt from any final exams Due to new state testing requirements students cannot be exempted from end of course exams in state tested areas. The teacher will inform the students at the beginning of the course if this is the case. If a student chooses to exempt from a final exam, he/she will receive a final exam grade of the average of the grades for all four nine week grading periods. Absences for approved school business will not be counted as long as they are documented appropriately before the absence. Approved travel for non-business reason will count against the student's attendance.

ARRIVING AT SCHOOL

Once students arrive at school in the morning, they must immediately come on school property and stay on school property. Students who drive, walk, or are dropped off must immediately report to the Farney Avenue side of the building on the patio, in the lobby, or in the cafeteria until the first school bell rings. No students are to wait on the Marshall Avenue side of the building, in parking lots, or in vehicles. Skateboards and bicycles are not to be ridden on school property at any time.

TARDY AND EARLY RELEASE POLICY

All students arriving after 8:00 a.m. bell will be tardy and will report to the attendance officer. Students who are tardy and miss the first 30 minutes or more of a class will be charged with an absence from that class

ABSENCE BEFORE PLAY, CONCERTS, ATHLETIC CONTESTS, PROM, ETC.

A student must be in school for at least $\frac{1}{2}$ a day on the day of the activity (1/2 day will be four periods). He/she may not participate in the activity unless special permission has been given by the Principal, and/or Superintendent. This policy also applies to SATURDAY events. If the event is not on a school day, the attendance rule applies to the last regular school day.

LEAVING SCHOOL

A student is not permitted to leave school property during the school day unless he/she has permission from the administration. If you become ill during the day, secure permission from your teacher to leave the room. You should then report to the main office. If it is necessary for you to leave school before the end of the school day, bring a note from your parent or guardian to the office. Your note will be signed which you will show to your teacher. After leaving your class, come to the office to be signed out. Parents/Guardian will be expected to come into the office to sign the student out of school. Students who drive will be the exception. After checking out of school early or being absent, students must report to the attendance officer to check in and present a note or doctor's excuse stating the reason for the absence. All absences will be unexcused until verified as an authorized excuse.

APPROVED TRAVEL

A student should have the Approved Travel Request Form submitted five (5) days prior to the planned activity and be granted permission by the Superintendent or Principal. Forms are available in the main office. Approved Travel may be used one time in a school year. All missed class work must be completed and submitted to the satisfaction of their teachers within five (5) school days after the student returns to school. The student will not be counted absent for these days if work is made up in five school days. The student will not be eligible for Excellent Attendance, Blue/Gray/White Star Card, Tartan Superstars, Perfect Attendance or final exam exemption. Students cannot use Night School to makeup approved travel time missed.

STUDENTS BEYOND COMPULSORY ATTENDANCE AGE

Students age eighteen (18) or older will be expected to follow the school policies, including attendance, as is every student that attends East High. Noncompliance may result in the student being withdrawn from school.

VISITING COLLEGES

A junior or senior may be excused from school to visit a college not to exceed two days per year, if: (1) he/she has a definite appointment at the admission office of the college, (2) he/she has returned a completed college visitation form to the Guidance Office, (3) he/she has checked with his teachers in advance in order to make up any work/tests missed. (4) has not missed more than 10 days for the school year. The student is responsible for all make-up work. These visitation days are not counted as school absences providing the student has sufficient documentation from the college. Forms for college visitation may be picked up in the Guidance Office.

NONDISCRIMINATION POLICY

The policy of the Governing Board, both additionally and currently, is that discrimination against any individual for reasons of race, color, creed, religion, national origin, sex, age, homelessness or handicap is specifically prohibited. No student shall be denied admission to the school or to a particular course or instructional program or otherwise discriminated against for reasons of race, color, national origin, sex, homelessness and handicap or any other basis of unlawful discrimination. Equal access to employment opportunities, records, educational programs, and all other school activities is extended to all appropriate persons.

FEDERAL EDUCATION RIGHTS AND PRIVACY ACT

Parents have the right to inspect and review educational records, seek to amend educational records, and consent to the disclosure of personally identifiable information from educational records except as specified by law. A complete copy of this federal law is available upon request from the Office of the Superintendent.

STUDENT CONDUCT POLICY

Students are expected to conduct themselves in such way that they respect and consider the rights of others. Students must conform to school regulations and accept directions from authorized school personnel. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to approved student discipline regulations. The administration develops regulations that establish strategies ranging from prevention to intervention to address student misbehavior. If a student violates this code of conduct, school personnel, students and/or parents should report the student to the Principal. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances.

ACADEMIC INTEGRITY

Plagiarism is defined as presenting the ideas or words of another as your own. This also refers to direct duplication of materials, copy and pasted from internet, computer, or written material.

Any student found to be guilty of plagiarism will be given a zero for that assignment or in some cases as determined by the teacher and principal, alternate work can be assigned. Repeated incidents of plagiarism will result in additional disciplinary action. All incidents of plagiarism will be documented and recorded as disciplinary action.

2017 CODE OF CONDUCT DISCIPLINE/BEHAVIOR PROGRAM

This Code of Conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs. In addition, this Code of Conduct includes:

- 1) misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and

loss of property public or private. Payment will be determined by the cost of the repair or replacement of the damaged or lost item. The following is a behavior code that should be used to direct the conduct of students while attending curricular or extra-curricular activities of East High School. The staff and administration shall retain the right and responsibility to deal with unlisted situations in the best interest of the school, staff and students. The classroom teacher is empowered to take appropriate disciplinary action for behaviors up to the point at which time the student's behavior is disrupting the educational process at which time the administration will be notified. Classroom expectations will be posted in the rooms. The following are examples of violations/infractions and the possible types of disciplinary actions that could result. The punishment and its length for each violation/infraction will be determined by its severity and frequency. STUDENT SUSPENSION

The Superintendent and Principal may suspend a student from school for disciplinary reasons outlined in the student code of conduct. No period of suspension is for more than ten school days. The Superintendent may require a student to perform community service in conjunction with or in place of a suspension. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the suspension into the following school year. The guidelines listed below are followed for all out-of-school suspensions.

1. The student is informed in writing of the potential suspension and the reasons for the proposed action.
2. The student is provided an opportunity for an informal hearing to challenge the reason for the intended suspension and explain his/her actions.
3. An attempt is made to notify the parent(s) if a suspension is issued.
4. Within 24 hours, a letter is sent to the parent(s) stating the specific reasons for the suspension and including notice of the right to appeal such action.
5. Notice of this suspension is sent to the: A. Superintendent: B. Business Manager and C. Student's school record (not for inclusion in the permanent record)

Appeal Procedure

Should a student or a student's parent(s) choose to appeal the suspension, he/she must do so in writing to the Superintendent or his/her designee within 10 days of the notice of suspension. The Superintendent is the designated hearing officer. The procedure for such is provided in regulations approved by the Board. All witnesses are sworn and a verbatim record is kept of the hearing, which may be held in executive session at the request of the student or his/her parent(s). The student may be excluded from school during the appeal process.

Appeal to the Court Under Ohio law, appeal of the Board's or its designee's decision may be made to the Court of Common Pleas.

STUDENT EXPULSION

At times, the behavior of a student can be considered so serious as to justify total removal from the educational program for a prolonged period of time. Actions meriting expulsion are outlined in the student code of conduct. Only the Superintendent may expel a student. Expulsion is the removal of a student for more than ten days but not more than one year. An expulsion can extend beyond the end of the school year if there are fewer school days than expulsion days remaining. The Superintendent may apply any remaining part or all of the period of the expulsion to the following school year. The Superintendent may require a student to perform community service in conjunction with or in place of an expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year. The Superintendent shall give the student and parent(s) written notice of the intended expulsion, including reasons for the intended expulsion. The student and parent(s) or representative have the opportunity to appear on request before the Superintendent/designee to challenge the action or to otherwise explain the student's actions. This notice shall state the time and place to appear, which must not be fewer than three days or more than five days after the notice is given. Within 24 hours of the expulsion, the Superintendent shall notify the parent(s) of the student and Business Manager of the Board. The notice shall include the reasons for the expulsion, the right of the student or parent(s) to appeal to the Board or its designee, the right to be represented at the appeal and the right to request that the hearing be held in executive session. The Superintendent will initiate expulsion proceedings against a student who has committed an act that warrants expulsion even if the student withdraws from school before the Superintendent has held the hearings or made the decision to expel the student. Expulsions involving firearms must be for one year. An expulsion involving a knife may be for any period of time not to exceed one year. A student that is 16 years of age or older may be permanently excluded from school for commission of serious crimes specified by law. These serious crimes are basically included in levels three and four of our Discipline/Behavior Program with the addition of murder, aggravated murder, voluntary or involuntary manslaughter and rape or gross sexual imposition. A student or a student's parent(s) may appeal the expulsion by the Superintendent to the Board or its designee. They may be represented in all such appeal proceedings and are granted a hearing before the Board or its designee. All witnesses are sworn and a verbatim record is kept of the hearing which may be held in executive session at the request of the student or parent(s). The student may be excluded from school during the appeal process. Under Ohio law, the decision of the Board may be further appealed to the Court of Common Pleas. Any student who is expelled from school for more than 20 days or into the following semester or school year may be referred to an agency which works towards improving the student's attitudes and behavior. The Superintendent provides the student and his/her parent(s) with the names, address and telephone number of the public and private agencies providing such services.

DRESS CODE

The district's dress code is established to teach grooming and hygiene, instills self-discipline, prevent disruption, avoid safety hazards, and teach respect for authority. A student believed to

be inappropriately dressed will be asked to change immediately. If this involves calling a parent/guardian for replacement clothing, the student will be sent to In-School-Suspension while waiting. Once asked to change, the student should avoid wearing the inappropriate clothing to school again. The current administration has the authority and responsibility to determine what is appropriate attire for a student. Students and parents are encouraged to use good judgment when selecting the school wardrobe.

Examples of appropriate clothing are:

1. dress shirts
2. dress pants
3. sport shirts/T-shirts
4. jeans / khakis
5. shorts (mid-thigh or longer)

Examples of inappropriate dress are:

1. shirts, pants, or accessories with messages of distaste, violence, drugs, alcohol or tobacco or anything considered disruptive to the educational process

Such notification is not necessary if a student has withdrawn because of a change of residence or the student is enrolled in and attending, in accordance with school policy, an approved program to obtain a diploma or its equivalent. The Governing Board authorizes the Superintendent to establish a hearing and notification procedure for the purpose of denying a student's driving privileges if a student of compulsory school age has been absent without legitimate excuse for more than 10 days during the semester or term. (1/2 of the school year) Whenever a student is suspended or expelled from school in accordance with O.R.C. 3313.66 for the possession of alcohol or drugs the Superintendent may notify the registrar of motor vehicles and the juvenile judge of the county of

the suspension or expulsion. After receiving such notifications, the registrar of motor vehicles is required to suspend the temporary instruction permit or the driver's license of the student who is the subject of the notice. If the temporary permit or license has not been issued for that student, the registrar is prohibited from issuing a temporary permit or license. CEREMONIES AND OBSERVANCE/PATRIOTIC EXERCISES POLICY

The Governing Board believes an appreciation of the principles upon which our nation is based is promoted by the patriotic ceremonies and observances conducted in the schools. The board also believes the United States flag is a symbol of our democratic heritage, ideals and freedom and should be properly displayed in schools. Furthermore, the board believes saluting the flag and reciting the Pledge of Allegiance helps students learn and reinforce the principles upon which our nation is based. Finally, the board recognizes that the beliefs of some parents and students prohibit participation in the Pledge of Allegiance, the salute to the flag or other such opening exercise.

After the Superintendent or Principal has consulted with their search team and if it is determined not to re-enter the building, the students will be moved to an alternate site where students will be kept until they are dismissed. Transportation will not be provided unless students regularly ride the bus to and from school daily. Students will not be permitted to use the school phone to arrange for transportation or to call their parents.

Students possess the right to privacy, but that right must be balanced by the school's responsibility to protect the health, safety, and welfare of all its students. School officials will use the standard of "reasonable cause" to conduct searches. Lockers, back packs, purses and other personal property that contains data or memory such as cell phones, Ipods or computers carry no expectation of privacy and may be searched by the administration at any time without warning.

If any previous damage has been done to the book, it should be recorded on the back of the textbook card before returning it to the teacher. Any student losing or damaging a text will be required to pay a fee this includes all library and classroom books. Damaged book fees can vary depending on the severity of the damage. The teacher and Principal, if necessary will determine the fee. If book is lost or damaged to the point where it is unusable, then the student will be assessed a fee that will cover the replacement of the book. PRECAUTIONS NEED TO

BE TAKEN AGAINST THEFT, AS THIS DOES NOT RELIEVE THE STUDENT FROM RESPONSIBILITY.

TRANSPORTATION TO SCHOOL EVENTS

Students traveling to events by means of school transportation will be expected to return by the same means, unless there are extenuating circumstances.

WORK PERMITS

East students who are required to get work permits need to contact the main office for an application. The completed forms need to be returned to main office where the permit will be issued within a week.

End of Year Honor Roll - (Based upon the first three nine weeks) - A student must be on the All A, AB or B honor roll for the 1st, 2nd, AND 3rd nine week grading periods to receive an award for honor roll at the end of the year. If a student was not on the honor roll for one grading period or has an incomplete grade, then he/she will not receive an award for the honor roll. Year-end honor roll awards will be given as follows:

All A Honor Roll: Must be on All A Honor Roll for 1st, 2nd, AND 3rd nine weeks
AB Honor Roll: Must be on either the AB honor roll every 9 week grading period OR All A for one 9 wks. and AB for two 9 wks. OR All A for two 9 wks. and AB for one 9 wks.

B Honor Roll: Must be on either the B honor roll every 9 week grading period OR All A for two 9 wks. and B for one 9 wks. OR All A for one 9 wks. and B for two 9 wks. OR All A for one 9 wks., AB for one 9 wks. and B for one 9 wks. OR AB for two 9 wks. and B for one 9 wks OR AB for one 9 wks and B for two 9 wks. It is possible for a student to not receive an award for All-A Honor Roll for the year but still end up with an "A" for the year in all classes. The final grade is an average of four nine weeks plus a final exam grade. The final grade is the only grade reported on the student's transcript and the only grade that factors into the student's overall cumulative high school grade point average.

INCOMPLETE GRADES

A student may receive an incomplete grade on his/her report card for various reasons (illness, absence, failure to complete required work, etc.) These incomplete grades must be completed within five school days as arranged by student and teacher upon the student's return to school.

Honors Chords - to be presented at graduation One chord - 3.50 cumulative GPA (Honors) Two chords - 3.75 cumulative GPA (Highest Honors)

VALEDICTORIAN AND SALUTATORIAN

These honors will be determined by a combination of the student's cumulative overall grade point average (the final grades for courses that appear on the student's transcript) AND highest composite ACT score. The student's GPA will be the first determining factor. The student with the GPA closest to 4.0 will be named as the valedictorian. In the event of a tie, the highest composite ACT score will be the tie breaker. If two or more students are still tied after considering the ACT score, multiple valedictorians will be named. Anyone not named as the valedictorian after breaking a tie will be considered for the title of salutatorian. The salutatorian honor will be determined using the same process as the valedictorian. Valedictorian and salutatorian honors will not be final until all grades are processed. The last score to be considered will be the April administration of the ACT during the student's senior year. Please contact the principal or Student Services Director for a detailed explanation of the selection process.

CREDIT FLEXIBILITY

The Board recognizes that an effective educational program is one that provides opportunities for students to customize aspects of their learning around their respective needs and interests. Credit flexibility is one method to motivate and increase student learning by allowing access to more resources, customization around individual student needs and the use of multiple measures of learning. Credit flexibility shifts the focus from "seat time" to performance. Students can earn units of high school credit based on an individually approved credit flexibility plan. The intent of credit flexibility is to meet increased expectations for high school graduation in response to globalization, technology, and demographics, and to meet the demand for 21st Century Skills. In accordance with State law, the District must develop and implement a credit flexibility plan that enables students to earn high school credit by:

1. completing coursework;
2. testing out or showing mastery of course content;
3. pursuing an educational option and/or an individually approved option and/or
4. any combination of the above.

The Superintendent/designee develops the District's credit flexibility plan consistent with the provisions of the following regulation. [Adoption date: 5/10/10] LEGAL REFERENCES: Carnegie Design Team Report to the State board of Education, New Emphasis on Learning: Ohio's plan

SB311 requires all local school boards to comply with the provisions of the State Board's credit flexibility plan by adoption local board policy (ORC 3313.603(J). Full implementation of the local board policy must be reached by the beginning of the 2010-11 school years.

These decisions will be made on a case by case basis and in accordance with state and federal laws. Relevant information regarding discipline can be found in the Parent's Guide to the Individual's with Disabilities Education Improvement Act of 2004 (IDEA). Student Effort and Attitude Effort and attitude are essential to the success of all students, including students with special needs. This includes studying, doing homework, and actively participating in class.

JUNIOR HIGH GRADE 6-8

All students are expected to follow the rules in the handbook. This section pertains ONLY to the Junior High students in grades 6-8.

ATTENDANCE POLICY AND PROCEDURES

To be eligible to pass a core class, students cannot miss more than 20 classes. If a student is absent more than 20 times for any core class, they fail that class for the year. All absences, including excused, unexcused, and suspensions, DO count toward the number of days missed. Days of absence due to excused school business (field trips, assemblies, etc.) DO NOT count toward the 20 days of absence. If a student misses thirty (30) minutes or more of a class, it is considered an absence from that class. The total number of allowable absences will be prorated for new students based on the date of enrollment. The school reserves the right to adjust the 20-class attendance policy in case of special circumstances, such as hospitalization or other documented just-cause situations. Each student is expected to be in class, except when excused for a valid reason. The following are valid excused absences from school:

1. Personal illness
2. Illness in the immediate family
3. Death in the immediate family
4. Quarantine of home
5. Court appearance
6. Observance of religious holidays
7. Emergency or circumstances that constitute good and sufficient cause as determined by the school administration. (Immediate family is defined as a parent, grandparent, brother, sister, aunt, uncle, nephew or niece.)

A student who misses assigned work because of excused absence is expected to make arrangements to make up the work within five (5) school days upon returning to school. Obtaining make up work is the responsibility of the student. If no excuse is provided, the absence is considered unexcused. Students will have 15 school days to produce a valid excuse. The student still has only five (5) days to make up the work from the day of return, not the day

the excuse is brought in. Examples of unexcused absences include, but aren't limited to the following:

1. Missing the bus
2. Oversleeping
3. Out-of-town (without obtaining prior permission for approved travel)
4. Needed at home
5. No means of transportation.
